School Fee Support Program

Catholic Education Foundation
Opportunities for all

A PROUD INITIATIVE OF Sydney Catholic Schools

The Catholic Education Foundation, a proud initiative of Sydney Catholic Schools, provides school fee support to families that seek a Catholic education for their child/ren.

Following our mission to honour our commitment to assist disadvantaged families, and if a family meets our criteria, their child/ren may be offered school fee support to attend one of our 152 primary or secondary schools in the Sydney Archdiocese.

School fee support may be offered to students:

- from families living in government housing
- from families who are Centrelink dependent
- from low-income families
- from single-parent families

How is school fee support provided?

School fee support is provided via our bursary program. A bursary is an amount of money allocated to allow a student to study. A bursary from the Catholic Education Foundation can cover some or all of the cost of school fees and other charges, with the family paying a co-contribution, once a criteria assessment has been completed.

Is school fee support available for all of my children?

Yes. If you are approved for school fee support following a criteria assessment, all your children attending a primary or secondary Sydney Catholic school will qualify to receive a bursary.

What do I need to do to apply for school fee support?

You will need to request an application form from the Sydney Catholic school you wish for your child/ren to attend. Once you complete an application form and provide supporting documentation for your assessment, you will then need to return this application form to the principal of the Sydney Catholic school you obtained it from.

If you have any questions in relation to completing the application for school fee support, please contact the School Fee Support Unit:

Eastern Region:	(02) 9568 8255
Inner West Region:	(02) 9568 8611
Southern Region:	(02) 9568 8607

For more information about qualifying for a bursary to send your child to a Sydney Catholic school, please contact that school's principal.
